Covered Bridges 2017 Square (Multilingual Edition)

Synopsis

These lovely structures buttress America's romance with the image of simple, idyllic country living. Romantic notions aside, covered bridges were born of necessity. When weather began to wreak havoc on the wooden joints and trusses of the bridges in early America, builders began to cover them. Let this charming square wall calendar take you on a picturesque outing to see some of this country's most beautiful covered bridges.
