Native Funk & Flash: An Emerging Folk Art

Synopsis

This delightful 1974 classic is replete with new images, updates on favorite artists, and a thoughtful afterword by the author that reflects on what was at the heart of the '60s counterculture. Native Funk and Flash sits alongside treasured costume and fashion bibles on the shelves of the great designers of our times. Many artists, now in their prime, credit their early encounter with it for their own choice of career and inspiration. Within these pages hand-embroidered and hand-painted imagery enhance dear old shirts and jeans, serving the dual purpose of extending their usefulness and emblazoning the wearer with messages of love, psychedelic daydreams, and mysticism for all to see. The ethos of a generation is captured here: the scenes, sound, smell, look, politics, spirit, and most of all, the love is expressed in this moment in time when people cared so deeply for one another and the future that they wore it on their sleeves. Carved wooden doors, chairs, handmade fanciful shoes, beads, leather, incredible jewelry, a playground, patched upholstery-everything was fair game for inventive self-expression, whether one was a skilled adept or a beginner with a dream. No craft or design collection should be without this book.

Book Information

Paperback: 124 pages

Publisher: Trafford (May 6, 2013)

Language: English

ISBN-10: 1466981725

ISBN-13: 978-1466981720

Product Dimensions: 8.5 x 0.3 x 8.5 inches

Customer Reviews

This is an amazing book, but a terrible reprint. The images are grainy and dull, which takes away from the FUNK.

other reviews have said this, but the images are very blurry

Great info for my fashion design course!!

In perfect condition.
