Customer Reviews

I have purchased or received the Anne Geddes Wall Calendar for years (I have a pile of them because I KNOW I will use the adorable pictures for something some day). I love the sweet baby pictures, but the calendar itself has large spaces for each day and can fit all of the events for my busy family.

This was a gift to my daughter and family. They love going to the beach (especially Hawaii) and I thought this would be a big hit as they are expecting their second child in December. They loved it! :)

I bought two of these one granddaughter just had baby 12/21/14 and the other due anytime with twins. Yes I am the happy Great Grannie. Thankyou for your fast service. I will be a favorite customer for many years.

Have been buying this item for so many years. Anne is an amazing photographer and the babies

are just too adorable. She has a unique eye for placement and brings me joy each month as I turn the page.

Every year I buy an Anne Geddes calendar and this year was no different. I LOVE this calendar and look forward to turning the pages every month. So cute! :)

An Anne Geddes calendar - wall or any size - is always most desirable. It's difficult to choose one because they all are terrific!

I wish I had Ms. Geddes' creative genius! Great gift for new parents or fun pics for baby to look at in the nursery!

This new Geddes Calendar is super!! A gift for friends who just had their first newborn.
