Heisenberg (Modern Plays)

Synopsis

Is this the strangest thing that two people have ever done in the history of the world? Amidst the bustle of a crowded London train station, Clare spots Alex, a much older man, and plants a kiss on his neck. This electric encounter thrusts these two strangers into a fascinating and life-changing game. Simon Stephens's play brings to blazing, theatrical life the uncertain and often comical sparring match that is human connection. *Heisenberg* received its world premiere at the Manhattan Theatre Club, New York, on 3 June 2015.
