Norma I. Quintana: Circus: A Traveling Life

Synopsis

Norma I. Quintana (born 1954) is an American photographer and educator working in the tradition of social documentary, shooting exclusively in black and white and using only available light. Her first monograph presents a decade-long pictorial series of a traveling one-ring circus.

Customer Reviews

This book was a great gift for me to share with others who came to visit us. For me, the pictures were art, that told a story about the life and culture of a people who perform in a circus. Loved how the photographer was able to capture moments that would be memorable for the performers. Would recommend to buy, especially as a gift for people interested in photography and art.

This is the perfect fashionable coffee table book, capturing a photographers dedication to her craft. And a beautiful glimpse inside the lives of circus performers from an era gone by.

This book is a beautifully crafted, articulate piece of work! The photography is wonderful, I can tell that this Circus means a lot to the photographer. The essay and photo commentary is beautifully written as well. A must- have for decoration and reading!

The perfect gift. Ive never seen the circus so up close and personal. It moves you. Its inspiring and its a must have.
