Understanding Health Insurance: A Guide To Billing And Reimbursement (with Premium Web Site, 2 Terms (12 Months) Printed Access Card And Cengage EncoderPro.com Demo Printed Access Card)

Synopsis

Discover the essential tool to prepare for a career in medical insurance billing -- UNDERSTANDING HEALTH INSURANCE, 13E. This comprehensive, easy-to-understand, updated book presents the latest code sets and guidelines. You cover today's most important topics, such as managed care, legal and regulatory issues, coding systems, reimbursement methods, medical necessity, and common health insurance plans. Updates introduce new legislation that impacts health care, including the Affordable Care Act (Obamacare); ICD-10-CM coding; electronic health records; Medicaid Integrity Contractors; case mix management; hospital-acquired conditions; present on admission; and value-based purchasing. Practice exercises and the workbook (available separately) provides application-based assignments and case studies to reinforce your understanding, as well as CMRS, CPC-P, and CPB Mock Exams. New editions include online access to SimClaimâ„¢, CMS-1500 claims completion software and Optum's EncoderPro.com Expertâ„¢.

Customer Reviews

As stated by the previous customer....."The book is new but the access code to the assignment modules didnt work. An additional \$89. Not happy"I AM VERY VERY UNHAPPY TOO! I called Cengage and they didn't help except to say I should purchase ANOTHER package from them directly. I can't return this item as it wont allow so I am out lots of money. So much for my self study and getting ready to take my certification billing exam with no study aid now that I am out this money. Customer service for both companies is very unacceptable!!! If I could give no stars I would. Do Not purchase this item.

The book is new but the access code to the assignment modules didnt work. An additional \$89. Not happy

Exactly what I needed.
