# Nursing Resume: A Job Guide For Nurses

## Synopsis

Nursing Resume: A Job Guide for nurses is a complete eBook package to help nurses find a job. This eBook is short and to the point, and the entire package includes 10 premium resume templates (see inside book for a preview), 10 premium cover letter templates (they match the resume templates), a few basic traditional resume templates, and a sample resignation (or two weeksâ™ notice) template. All templates are in .docx format and are best edited in the Microsoft Word software. If you do not have Microsoft Word, you can usually download a free trial. Google Docs may also work; however, formatting errors may occur if you use other programs other than Microsoft Word.

**Why Do You Need a Custom Resume Template?** Your resume is the very first step in getting a job. When you begin searching for a job, youâ™ ultimately be uploading or submitting resumes to various employers. If you turn in a poorly constructed resumeâ™ it could get tossed in the trash. You want a resume that will stand out and grab the hiring managerâ™s attention. Thatâ™s why I contracted a graphic designer to create 10 professionally designed resumesâ™ all with nursing/healthcare themes. These resumes include all of the major sections. All you have to do is fill in your own information. They are completely customizable, and you can edit the text, add sections, or change them any way you want. You also get the 10 beautifully designed cover letters that match the resumes. You also receive a resignation templateâ™ for occasions when you need to leave your current job for a better opportunity. One resume template alone would be worth the price, and many websites or designers sell individual resumes for very high prices. However, youâ™re going to receive all 10 professionally designed resume templates, along with cover letters, a resignation template, and this short eBook guide.

**About the eBook** This eBook guide was designed to give you the information you need to strategically find a job. Youâ™ll get information on compiling your resume, tips on how and where to submit your resume, tips when sitting for an interview, tips on leaving your old job, and tips on advancing your career. If you're looking to switch jobs, or if you've just graduated from nursing school--then you need this guide to help you get your job search underway. This is not just an eBookâ™ this is a job tune-up. The eBook guide is short and to the point, and focuses on the information you need to start finding a job immediately. The author, S.L. Page, shares her insights into getting a job. She combines her personal experiences along with the advice of nurse managers sheâ™s spoken with through the years.

**What This eBook Package Includes:**

- 10 beautifully designed resume templates
- 10 matching cover letter templates
- A resignation/two weeksâ™ notice template
- The eBook guide to help you find a job.

**Template Requirements** Templates are in .docx format. It is best to use Microsoft Word to edit them. Google Docs, a free alternative, may work okayâ™ but some minor formatting errors may occur. For absolute

best results, we recommend using Microsoft Word to edit the templates. Template Licensing TermsThe templates may be used an unlimited number of times for your own personal use. You may not resell, redistribute, or give away for free any of the templates included with this package.

## **Customer Reviews**

Templates online and in book leave out the guesswork. Excellent respurce. Would recommend

For the price, not bad... just don't watch her video and read her book at the same time on cover letter..... it will confuse you... that's if you're just starting to learn how to create and format a cover letter

This book was helpful and the templates are very useful. It is easy to use and read. I recommend it for new nurses entering the workforce.

Does not allow you to download resumes as promised and wants you to purchase additional products. Tried to reach seller as directed and was directed to open nursing forum. Then was redirected stating that page has moved! Waste of time and effort!
