Customer Reviews

Some of it was good (e.g. The Goths), and some was very bad, such as the last article on English history. It could have been interesting, but was as dull as ditchwater. On the whole, not worth reading.

Strategy Six Pack 9 - The Revenant Hugh Glass, Andersonville, The Goths, Alexander Hamilton, Pericles and A Short History of England (Illustrated) Kindle Edition I really love these 6 packs - superb value. The Revenant - Hugh Glass is particularly interesting.

Civil War, Military, POWS, eye witness accounts... great pack of stories all in one! I felt pulled back in time and enjoyed each story. highly recommend

As good as all the other 6 packs

I love these boxed sets - dirt cheap education for the mind and soul. A chance to learn from the greats and find ways to apply it to your own life. I've always believed that looking back and reflecting on the past can provide ample opportunities to grow as a human being.
