The Terrorism Risk Insurance Act: A Practitioner's Guide

Synopsis

From the outset, the Terrorism Risk Insurance Act program succeeded in making terrorism insurance widely available to US businesses and local governments without jeopardizing the long-term sustainability of the insurance industry. Nearly a decade and a half later, the Terrorism Risk Insurance Act remains an essential part of our national strategy for economic security and resilience in the face of terrorism. Over that time, however, knowledge of the program has steadily eroded as many who were involved in the program's early years have moved on or retired. The Terrorism Risk Insurance Act: A Practitioner's Guide assists today's insurance professional to bridge this gap through a comprehensive explanation of each of the elements of the program reinforced through practical examples. Each chapter concludes with a description of processes, controls, and testing that practitioners may consider to maximize potential recoveries under the program and build reliable evidence of compliance.

Book Information

Paperback: 218 pages

Publisher: North Loop Books (July 5, 2016)

Language: English

ISBN-10: 1634137930

ISBN-13: 978-1634137935

Product Dimensions: 5.9 x 0.7 x 8.9 inches

Shipping Weight: 14.4 ounces (View shipping rates and policies)
