# Torres And Ehrlich Modern Dental Assisting (Torres & Ehrlich's Modern Dental Assisting)

## Synopsis

User-friendly and easy to understand, Torres and Ehrlich Modern Dental Assisting, 9th Edition has everything you need to prepare for a career in dental assisting. This complete learning package includes the textbook, Evolve website, a multimedia procedures DVD with video clips and animations, and an interactive dental office CD that includes updated case studies and interactive review exercises. This book also satisfies ADA accreditation guidelines and the CDC Guidelines for Infection Control in Dental Health-Care Settings. Procedures walk you through hands-on laboratory skills and include illustrations, equipment and supplies needed, and the rationale behind each step to help you master the skills. Essential for your practice as a dental assistant, CDC boxes familiarize you with the latest CDC guidelines and illustrate how to use them in the clinical setting. Review Exercises on Evolve provide additional opportunity for reviewing the topics in the book. Shorter chapters offer a more focused discussion of each topic and help you find specific information easily. Learn the proper way to sit, reach, stretch, and position your hands and wrists in the Ergonomics chapter. Dental Caries chapter discusses the prevention and intervention of caries. Interactive Charting Exercises on the CD and written exercises in the workbook provide practice in this critical dental assisting skill. Critical Thinking questions and scenarios test your problem solving skills and provide an opportunity for classroom discussion. Patient Education boxes at the end of select chapters offer tips and strategies to help you learn to interact and share information with patients. Be aware of ethical and legal situations with Legal and Ethical Implications boxes to protect yourself and your patients. Explore the latest cutting-edge research, trends, and hot topics that relate to chapter content with Eye to the Future boxes. Student Workbook also available. Multimedia Procedures DVD packaged with the text includes 60 procedural video clips with optional review questions at the end of each clip to help you visualize difficult concepts and test your knowledge. A variety of case studies and review on the Interactive Dental Office CD packaged with the text, allow you to apply your knowledge and sharpen your clinical and practice management skills. Evolve website includes Canadian content tailored to Canada's specific nutrition guidelines and privacy regulations. Electronic Resources sections list available resources for each chapter on Evolve, the CD-ROM, and the DVD to tie together the text and electronic content. Added emphasis on Expanded Functions helps you understand the skills you need to become proficient in complex procedures. Updated photos reflect the modern dental assisting environment in which you will practice practice.

## Customer Reviews

This edition combines the latest dental information with the best of teaching techniques to make this an extremely valuable text for anyone wanting to know more about dental assiting. An interactive CD-ROM, packaged with the book, makes this edition even more exciting!

This book is very informative and easy to read and understand. The chapters are short which means they are not trying to put in to much info all at once. I got this book for school and I actually enjoy reading it.

This really is the only dental assisting textbook you need! If you use this book to the full along with the instrument guidebook, you'll be so prepared for class exams, board exams, and in clinical settings.

Same information as the newest edition! Just a page or 2 different when they say turn to this page in class, but u save sooooo much more money with this edition

This is really a good book and contain all stuff that is important to pass national board exam.I got it just 15 days before my exam and passed all three components of the exam.Its really really a good deal.

The book arrived on time and in the listed condition. It was the correct textbook and came with the

CD's which both work great. The best part is that I bought it through 's price comparison.

This book is exactly what I needed for my class. it came the day it was promised in IDEAL condition. I highly recommend this book to other dental students.

This book satisfy my expectations. it arrived on time ,the book had no markings on the page, it was almost as if it was a new book.
