Practical Puppetry A-Z: A Guide For Librarians And Teachers

Synopsis

Puppetry is an exciting, flexible, malleable art form that can engage the creative forces of children or adults. Puppets can not only tell a story, they can be used to enhance the curriculum, present an idea or a concept in a compelling way, or teach any number of necessary skills. Children and adults presenting a puppet play are given a sense of their own inventive power. This reference work offers an A to Z view of working with puppets. It covers everything from the basic strategies of advertising and marketing puppet productions, to assembling the puppets out of household materials such as paper bags, cereal boxes, or gloves, to the more elaborate sculpting of armatures. Stages, curtains and props are also discussed along with the history of puppetry. Numerous illustrations give a visual of many of the finished products. This work concludes with an annotated bibliography and index.

Book Information

Paperback: 279 pages

Publisher: McFarland & Company; annotated edition edition (August 26, 2005)

Language: English

ISBN-10: 0786415169

ISBN-13: 978-0786415168

Product Dimensions: 7.1 x 0.6 x 10 inches

Shipping Weight: 1 pounds (View shipping rates and policies)
