All instructor resources for this title are available in the Instructor Resources section on the MasteringA&P site. Helping millions of future healthcare professionals prepare for lab and practice lab concepts. Revered for its thorough, clearly written exercises and explanations, Human Anatomy & Physiology Laboratory Manual has provided millions of future healthcare professionals with a complete hands-on laboratory and learning experience. The fully revised Twelfth Edition provides a more active, workbook-style approach that incorporates visual summaries, streamlines information, and engages students with hands-on drawing and review activities. New features include assignable Pre-lab Videos that introduce students to the lab and related equipment, and "Why this Matters," which shows the relevance of lab activities to real-life and clinical examples. This edition is fully integrated with MasteringA&P, offering assignable visual media and activities that promote active learning and engage students. For the first time, the lab manual is publishing alongside Marieb/Hoehn's™s best-selling Human Anatomy & Physiology . Designed to meet the needs of the 2-semester A&P laboratory course, the manual can be used with any A&P textbook and is available in a customized edition, as well as in three conventional versions: Main (Eleventh Edition), Cat (Twelfth Edition), and Fetal Pig (Twelfth Edition). Also Available with MasteringA&P® This title is also available with MasteringA&P an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Students, if interested in purchasing this title with MasteringA&P, ask your instructor for the correct package ISBN and Course ID. Customer Reviews

The money you save will be spent on buying an access code. This product does not come with one which is needed for some colleges. I wouldn't buy it unless you kniw yoy don't need a code.

Good information but I think id rather have a PDF of this product than the real thing which is nothing I thought I would ever hear myself saying.....This book is so flimsy and hard to carry around school. If this was a hard cover, I could see paying over \$100 for it would be reasonable, but I'm sick of this spiral bound crap I'm SICK OF IT!!!! GET RID OF THIS CRAP!!!!!! ITS AWFUL!!! PEOPLE HATE IT!!!!

Worked out perfectly was very descriptive and diagrams were easy to read

Received item very fast! Exactly as described and great condition!

No A&P mastering Access code.... It won't save you money...

Best book I have ever got it was worth the money

Page 119 is missing in the digital rental.

It was the book I needed for class
